Subject: CONTINUING: Case R16R01 - Riverside Agricultural Park

Susan -

Case R16R01 (Riverside Agricultural Park) will continue. DTSC will continue to collect one or two soil samples per week over the next two months of field work, and then send the group of samples (likely one SDG) to the R9 Lab by around mid-October. We will let you know if this schedule changes. Thanks for your help with this project-

Kathy
